

**EL MONTE UNION HIGH SCHOOL DISTRICT  
RESOLUTION NO. 21-24/25**

**SUPPORTING STUDENTS AND FAMILIES THREATENED BY IMMIGRATION ENFORCEMENT  
December 2024**

*WHEREAS*, the vision of the El Monte Union High School District is to empower and motivate our students to be resilient, college and career-ready, lifelong learners and contributing members of our global society

*WHEREAS*, the El Monte Union High School District Board of Trustees is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status; and

*WHEREAS*, the diversity of our student body, which includes immigrant students and families, enriches our schools, strengthens our community, and reflects the core values of equality and opportunity; and

*WHEREAS*, recent social and political developments may have heightened fear and anxiety among immigrant students and their families, potentially impacting their ability to thrive academically, socially, and emotionally; and

*WHEREAS*, students deserve to feel safe and honored for who they are;

*WHEREAS*, all students, regardless of their immigration status, are entitled to equal access to public education under federal law, as affirmed by the U.S. Supreme Court in *Plyler v. Doe* (1982); and

*WHEREAS*, federal guidance recognizes that “schools are protected spaces where federal immigration authorities should not conduct immigration activities.” Further, the guidance clearly states the federal agency’s belief that,

*We can accomplish our enforcement mission without denying or limiting individuals’ access to needed medical care, children’s access to their schools, the displaced access to food and shelter, people of faith access to their places of worship, and more. Adherence to this principle is one bedrock of our stature as public servants.<sup>1</sup>*

*WHEREAS*, the School District values and prioritizes family and community partnerships, including in its strategic plan, knowing that our students need their parents, guardians, and other adults in their lives for their well-being, including their educational success; and,

*WHEREAS*, statements being made regarding possible actions to be taken at the federal level have caused some of the School District’s families, students, and staff to feel insecure and unsafe;
